## **ALASKA REAL ESTATE COMMISSION CONSUMER PAMPHLET DISCLOSURE**

### **About This Pamphlet:**

In Alaska, a Real Estate Licensee is **required by law** to provide this pamphlet outlining the duties of a real estate licensee. After you have read the information contained in this pamphlet, please acknowledge receipt by signing **page 2** and return it to the real estate licensee who provided it to you. Your cooperation is appreciated.

There are four different types of relationships established by Alaska Real Estate Law:

- Specific Assistance - Licensee owes "Duties owed by a Licensee in all Relationship" as described in this pamphlet.
- Representation - Licensee owes "Duties Owed by a Licensee when Representing a Party" as described in this pamphlet.
- Designated Licensee - This occurs when a Licensee represents or provides specific assistance to a party to a transaction and another Licensee within the same company represents or provides specific assistance to the other party in the same transaction.
- Neutral Licensee This occurs when a Licensee does not represent either party but provides specific assistance to both parties in the same transaction. The parties must authorize the Neutral Licensee relationship by signing the "Waiver of Right to be represented" form.

### **Duties owed by a Licensee in all Relationships:**

- **Exercise reasonable skill and care;**
- **Deal honestly and fairly;**
- **Present all written communications in a timely manner;**
- **Disclose all material information regarding the physical condition of a property;**
- **Account for all money and property received.**

### **Duties owed by a Licensee when Representing a Party:**

- Duties owed by Licensee in all relationships listed above;
- Not knowingly do anything that is adverse or detrimental to your interests;
- Disclose all conflicts of interests to you in a timely manner. If a matter is outside their area of expertise, advise you to seek expert advice;
- Not disclose confidential information, even after the relationship ends, from or about you without written permission, except under a subpoena or court order;
- Make a good faith and continuous effort to accomplish your real estate goals. However, once you have entered into a specific real estate transaction agreement, their efforts refocus on its successful completion.

Your Real Estate Licensee may also work with a variety of other clients (they represent) and customers (they provide specific assistance to) in different working relationships. In those situations, representing or providing specific assistance to other sellers, buyers, lessors, and lessees does not create a conflict of interest while working with you, or within the duties mentioned above. Occasionally, as a Seller or Lessor, a situation may arise that your Real Estate Licensee also is representing another client (Buyer or Lessee) who then becomes interested in your property or vice versa. Prior to showing the property, the Real Estate Licensee must obtain a written approval to be a Neutral Licensee for both parties. A Licensee may not show property as a neutral licensee without obtaining your written consent entitled Waiver of Right to Be Represented and it will restate the duties outlined above and additional ones owed by your Real Estate Licensee. Alaska real estate law allows, but does not require, you to Preauthorize a Licensee to be a Neutral Licensee.

Having a different designated Licensee working for a seller or lessor and for the buyer or lessee in the same real estate transaction does not create dual agency or a conflict of interest for the real estate broker or for a Licensee employed by the same real estate broker.

**THIS DISCLOSURE PAMPHLET IS NOT A CONTRACT**

Duties NOT owed by a Real Estate Licensee

Unless agreed in writing otherwise, the following are the duties your Real Estate Licensee does not owe to you:

- To conduct an independent investigation of a property
- To conduct an independent investigation of anyone's finances
- To independently verify the accuracy or completeness of a statement made by a party to a real estate transaction or by a person reasonably believed by the licensee to be reliable
- To show or search for properties without compensation

**THIS DISCLOSURE PAMPHLET IS NOT A CONTRACT.**

**The Licensee anticipates compensation to be paid by \_\_buyer/lessee, \_\_X\_\_ seller/lessor, or both to the real estate brokers in the real estate transaction.**

I understand and acknowledge receiving and reading this pamphlet on the type of relationships I may have with the real estate Licensee (including the broker).

I understand and acknowledge that Erik Boltman (Licensee) of Real Property Management (company) will be working with me under the following relationship:

     Specific Assistance without Representation

  X   **Representing the Seller/Lessor only (may assist Buyer/Lessee)**

     Representing the Buyer/Lessee only (may assist Seller/Lessor)

     Under preauthorized Neutral Licensee (attached Waiver of Right to Be Represented)

It is the goal of the landlord to maintain this property to the highest quality of living environment for the tenants. The landlord has inspected the dwelling unit prior to the commencement of the rental agreement and has identified no damp or wet building materials and knows of no mold, mildew or other fungal growth in the dwelling unit. However, mold and mildew spores are present throughout the natural environment and cannot be entirely eliminated from any dwelling place.

Many sources of excess moisture can lead to high indoor humidity and cause mold, mildew or other fungal growth. Most sources of moisture can be controlled by simple procedures under the control of the tenant. Our mutual goals should be to reduce excess moisture within the dwelling unit wherever and whenever possible.

- To notify the landlord immediately of any circumstances involving excess moisture or water leakage such as plumbing leaks or drips, sweating pipes or toilet tanks, as well as, any overflows in the bathroom, kitchen or laundry facilities (if applicable), especially in cases where the overflow may have permeated walls, floors, carpeting or other floor coverings or cabinets. Excess water shall be immediately removed to prevent further damage.
- To notify the landlord of any mold growth on surfaces inside the dwelling unit that cannot be removed or controlled by the tenant.
- Tenant agrees to allow the landlord to enter the dwelling unit to inspect and make necessary repairs.
